

# Christmas Programme

## Christmas theme: "The Twelve Apostles of the New Jerusalem"

Over the twelve holy nights of 2020/2021 we shall deepen our sense of the new foundation of the religious life. The wall of the New Jerusalem rests on twelve foundations on which we find the names of the twelve apostles of the Lamb. (Revelation 21:14)

In coming to understand who each of the twelve apostles were and what they represent for us now in symbol and in type we hope to come to a fuller picture of the cosmic significance of this new foundation and what lies ahead for us in our relationship to the Divine.
